

FRANCK BONVILLE

CHAMPAGNE

« *Through this real print of our terroir, we aim to fully express Avize and its particularities that we have been taming for decades.* »

Pur Avize 2016 is released after more than 5 years of ageing under a natural cork.

From 3 plots selected in the heart of Avize's terroir, we have crafted a « Bonville » translation of this famous village.

Very fine bubbles let us guess the energy contained in the champagne.

The first scents totally reflect our chalky soils, combining flint notes to a mineral freshness. Aromas of pineapple and pear come to complete this pleasant nose.

The perfect balance of the Pur Avize 2016 keeps going with a soft and creamy texture in the mouth, full and generous. Some warm aromas such as wax and marzipan add an extra dimension to this wine and match on a long ending, intense and fresh.
