TASTING NOTES

Deep amber in hue, this fortified wine is lusciously sweet with a mouthcoating viscosity and unparalleled depth of flavour combining to produce utter opulence in a glass. Notes of dates, dried apricots, walnuts, Christmas cake, cinnamon, and candied orange peel spring from the glass tempting the senses and hinting at the pure indulgence contained within. The palate is characterized by a core of dried fruit and honey-like texture balanced by warming spirit and toasty oak influence. Notes of toffee and caramel linger on the long and rich finish.
